Welcome

To you .....

Our visitor, and our friend,

You'll know that South Africa is a place like no other,
and that you don't just visit this special country – you meet the
incredible vistas, live the heartbeat of the cities and embrace
the warmth of the people.

And part of that warmth is the way we converse,
from our 11 official languages, to our multi-cultural unique lingo,
a fusion of diversity which helped to create our rainbow nation,
with a sense of humour that'll always bring a smile to your face.

That's why we'd like to present you with a gift of a bookmark
with our greetings in our official languages, so that every time
you happen to page through a book, and find your bookmark,
the memory of your journey will bring a smile to your face,
and to your heart.

We hope that you'll spread a little of our warmth wherever you go,
as you greet your friends with an enthusiastic "Heita," hold your very
own braai (barbeque) with some of South Africa's best wines,
and have a kwaai (great) time, South African style.
Until next time, Hamba Kahle.*
