

Welcome

Welcome

*The only thing more special than visiting a new country,
is sharing your experience with someone special.*

*That's why we'd like to give you a postcard,
to share a little of what inspires you on your visit.*

*Perhaps what you'll share is your unforgettable
experience of the stillness of a dark night in the bushveld,
where the only sound to break the silence is the bark of a hyena.
Perhaps you'll share the stories of the people you meet who
become firm friends, or of the music you hear, full of sound
that inspires your soul. Perhaps it'll be the moment you
are first welcomed by our awe-inspiring landscapes,
or thrilled by the pulse of our cities.*

*And, after your postcard is sent, and you return home,
the pictures you have of our country in your mind will remain forever
– as will the warmth in your heart.*

*We wish you well on your journey, with the knowledge that the 'you'
who has arrived, will not be the same 'you' who leaves,
as South Africa leaves its indelible mark on your heart.*
