1 INTRODUCTION

South African Tourism Board (SA Tourism) was established by section 2 of the Tourism Act No 72 of 1993 and continues to exist in terms of section 9 of the new Tourism Act No 3 of 2014. SA Tourism is a schedule 3 A Public Entity in terms of schedule 3 of the Public Finance Management Act 1 of 1999.

The mandate of SA Tourism in terms of the Tourism Act is to provide for the development and promotion of sustainable tourism for the benefit of the Republic, its residents and its visitors. It is common cause that tourism is a key strategic industry in terms of National Tourism Sector Strategy documents as it supports government objectives of alleviating the triple challenges of unemployment, poverty and inequality.

The scope of SA Tourism's business includes three distinct areas of business focus and delivery, with different target markets and segments:

- I. International Leisure tourism (travel trade and consumer); and Domestic leisure tourism (travel trade and consumer)
- II. Business events through the delivery unit the South African National Convention Bureau (Meetings, Incentives, Conferences, Exhibitions);
- III. Quality assurance of tourism establishments through the delivery unit the Tourism Grading Council of South Africa.

Section 217 of the Constitution of the Republic of South Africa, 1996, prescribes that goods and services must be contracted through a system that is fair, equitable, transparent, competitive and cost-effective and also confers a constitutional right on every potential supplier to offer goods and services to the public sector when needed.

The submission of proposals will be in terms of this document. All information requested, must be supplied and all annexures completed, whether such information or annexure refers to the eventual tender or not. This information will form part of the eventual tender and must therefore be completed, as there will not be an opportunity to do so later. Thus it essential that the information supplied is both correct and true.

South African Tourism has a detailed evaluation methodology premised on Treasury Regulation 16A.3 promulgated under Section 76 of the Public Finance Management Act, 1999 (Act, No. 1 of 1999), the Preferential Procurement Policy Framework Act 2000 (Act, No.5 of 2000) read with Preferential Procurement Regulations 2017, and the Broad-Based Black Economic Empowerment Act, 2003 (Act, No. 53 of 2003).

Prospective tenderers must periodically review

The tenderer also warrants that the service provided will be of a superior standard, and is unlikely to cause undue difficulties.

The proposal may be awarded, in part or in full, at the sole discretion of SA Tourism, to one or more concerns on a non-exclusive basis. Proposals that are qualified by a tenderer's own conditions may be rejected as being invalid, and failure of the submitter to renounce such conditions when called upon to do so may invalidate the proposal.

SA Tourism may request clarification or additional information regarding any aspect of the proposal. The tenderer must supply the requested information within 24 hours after the request has been made, otherwise the tenderer may be disqualified. SA Tourism may also request a demonstration, and submitters must comply with such a request within 24 hours.

6.10 CONFLICT OF INTEREST, CORRUPTION AND FRAUD

SA Tourism reserves its right to disqualify any bidder who either itself or any of whose members (save for such members who hold a minority interest in the bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15%

interest in the bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of SA Tourism or any other government organ or entity and whether from the Republic of South Africa or otherwise ("Government Entity")

- (b) seeks any assistance, other than assistance officially provided by a Government Entity, from any employee, advisor or other representative of a Government Entity in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- (c) makes or offers any gift, gratuity, anything of value or other inducement, whether lawful or unlawful, to any of SA Tourism officers, directors, employees, advisors or other representatives;

- (f) pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;

- (h) has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

6.11 MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that SA Tourism relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by SA Tourism against the bidder notwithstanding the conclusion of the Service Level Agreement between SA Tourism and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

6.12 PREPARATION COSTS

The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process. Furthermore, no statement in this bid will be construed as placing SA Tourism, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

6.13 INDEMNITY

If a bidder breaches the conditions of this bid and, as a result of that breach, SA Tourism incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds SA Tourism harmless from any and all such costs which SA Tourism may incur and for any damages or losses SA Tourism may suffer.

6.14 PRECEDENCE

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

Prospective tenderers must periodically review https://www.southafrica.net/gl/en/corporate/page/tenders for updated information or amendments with regard to this tender, prior to due dates.

6.15 LIMITATION OF LIABILITY

A bidder participates in this bid process entirely at its own risk and cost. SA Tourism shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this Bid process.

6.16 TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. SA Tourism reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to SA Tourism, or whose verification against the Central Supplier Database (CSD) proves non-compliant. SA Tourism further reserves the right to cancel a contract with a successful bidder in the event that such bidder does not remain tax compliant for the full term of the contract.

The Central Supplier Database (CSD) and the tax compliance status PIN are the approved methods of verifying the tax compliance of a bidder. The South African Revenues Services (SARS) does not issued Tax Clearance Certificates anymore but has introduces an online provision via eFiling, for bidders to print their own Tax Clearance Certificates which they can submit with their bids or price quotations.

SA Tourism will therefore accept printed or copies of Tax Clearance Certificates submitted by bidders but will verify their authenticity on eFiling.

6.17 TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. SA Tourism reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

6.18 GOVERNING LAW

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

6.19 RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL

A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that SA Tourism allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and SA Tourism will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

6.20 CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with SA Tourism's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by SA Tourism remain proprietary to SA Tourism and must be promptly returned to SA Tourism upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure SA Tourism's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

6.21 SOUTH AFRICAN TOURISM PROPRIETARY INFORMATION

Bidder will on their bid cover letter make declaration that they did not have access to any SA Tourism proprietary information or any other matter that may have unfairly placed that bidder in a preferential position in relation to any of the other bidder(s).

6.22 AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid (RFP SAT 141/19), SA Tourism may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.

6.23 ANTI-CORRUPTION COMPLIANCE

SA Tourism is committed to conducting its business ethically and to achieving and maintaining the highest standards of corporate governance, particularly in respect of anti-corruption compliance. We require all of our business partners, suppliers, vendors, contractors and service providers, who play an important and valued role in our continuing business success, to behave ethically and to avoid engaging in corrupt business activities.

Successful bidders will be required to undertake contractually that, in carrying out their responsibilities on behalf of SA Tourism, neither they nor their owners, officers, directors, employees, or their agents or subcontractors will pay, offer, or promise to pay, or authorize the payment directly or indirectly, of

any money, gift, or anything of value to any government official or anyone else for the purpose of influencing any act or decision of such official or of the government to obtain or retain business, or to direct business to any person.

6.24 FRONTING

SA Tourism supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Against this background the Government condemn any form of fronting.

SA Tourism, in ensuring that Bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry, be established during such enquiry / investigation, the onus will be on the Bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid / contract and may also result in the restriction of the Bidder / contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies South African Tourism may have against the Bidder / contractor concerned.

6.25 SUPPLIER DUE DILIGENCE

South African Tourism reserves the right to conduct supplier due diligence prior to final award or at any time during the contract period. This may include site visits and requests for additional information.

6.26 DURATION OF THE CONTRACT

SA Tourism intends to enter into a 60 (sixty) month contract and service level agreement with the successful bidder(s). The contract period will however run for an initial period of 36 (thirty six) months and will be extended for another 24 (twenty four) months in SA Tourism's sole discretion and based on a periodic performance evaluation on the same terms and conditions unless the parties agree otherwise

7 TERMINATION OF CONTRACT

SA Tourism reserves the right to curtail the scope of any tender awarded or to curtail any aspect of any tenderer. In the event of any such curtailment, the tenderer will have no claim against SA Tourism.

SA Tourism also reserves the right to terminate, in SA Tourism's sole discretion and without providing any reason for the termination, the award of any proposal to any party if such party breaches, on 2 or more occasions, any component of the Service Level Agreement to be signed by both the supplier and SA Tourism.

9.3 Scope of services

The Public Finance Management Act (PFMA), 1999 (Act No. 1 of 1999) promotes economy, efficiency, effectiveness and transparency in the use of state resources. A key objective is to establish and maintain a responsive and credible Supply Chain Management System.

Having regard for the aforementioned, SAT is accordingly inviting reputable and experienced service providers, with a good track record, to submit proposals that demonstrate their ability and capability to implement a digital asset management system to facilitate a centralised database. This implementation must be entirely owned by South African Tourism. The system is to have digital assets stored, indexed, tagged and saved to make it easier for SAT to have full control of digital assets in a way that they will be able to access media data, organize it, retrieve it, label it, SAT's footage library for a period of 3 years, effective 01 December 2019 extendable for a further period of 2 years in the sole discretion of SA Tourism.

9.3.1 Functional requirements

a) Context

The lifecycle of a digital asset is as follows:

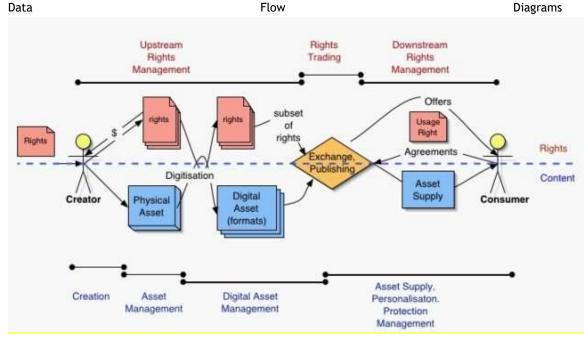

- Identify gap or need for an asset
- Design and create asset
- Capture asset and tag, annotate and review asset
- Asset approval
- Asset distribution to internal and/or external partners and stakeholders
- Asset retrieval to make use of and distribute the asset
- Asset Archiving when the asset is no longer useful or viable

b) User Requirements

- User must be licensed to use the system
- Each user can see his/her own permissioned view of the library
- Unlicensed users will have access to a specific set of assets that SA Tourism owns the rights to in perpetuity for the purposes of selling South Africa as a destination of choice.

c) Administrator

 System administrator can make changes to the system (deleting, editing, providing foreign language translation etc.) d)

The data flow diagram above represents the asset creator who allocates the appropriate usage rights for the asset. The content creator or manager with access to the system must have the physical asset in place. The system must then allow the user to upload the asset with set parameters including but not limited to:

- Usage rights if regional rights have been applied
- Expiry dates of asset usage
- EXIF data from the asset
- Appropriate tags for the asset to be searchable
- Description of the asset
- All agreements relevant to the asset can also be stored with the asset.
- e) The physical asset is then made available and searchable to users in the system with the appropriate usage rights and privileges in place. The asset in all the formats that it exists will review all rights to determine what remains available and what needs to be removed or renewed. The end user is then able to select and make use of the asset in line with the usage and regional rights and can be deployed on appropriate channels.
- f) Notification of usage rights should be highlighted whenever a user accesses any asset. If there are regional rights each asset must indicate this. If SA Tourism holds the rights to an asset in perpetuity for use on all regions this must be specified. Usage must indicate if there are expiry dates on the asset in terms of usage rights.

Asset review and approval - assets should be reviewed, approved, rejected, and annotated in the system and approval capabilities as per user right, to help collaborators get assets and creatives edit, review, and approve easily, regardless of their location. This eliminates the need to share and approve drafts manually, which saves valuable time.

- h) File management enable users to store, share, distribute, and edit digital assets from a single centralized location. Workflow automation — workflow automation engine built in to the system as it replaces manual processes and streamlines the creation and production of assets, while providing project tracking to ensure that all production steps are completed, and that no proofing or approval cycles are missed
- Repurposing and conversion the system repurpose assets into different formats, and offer file conversion capabilities with process control. Digital publishing — enables creative teams to utilize assets to create and produce content in multiple formats, and deliver it across a variety of platforms and devices.

Failure on the part of a bidder to fill in and/or to sign this form and submit a B-BBEE Verification Certificate from a Verification Agency accredited by the South African Accreditation System (SANAS) or a Registered Auditor approved by the Independent Regulatory Board of Auditors (IRBA) or an Accounting Officer as contemplated in the Close Corporation Act (CCA) together with the bid, will be interpreted to mean that preference points for B-BBEE status level of contribution are not claimed;

SA Tourism reserves the right to require of a bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required.

(C) Stage 3 - Consolidation of points for price and B-BBEE

In terms of regulation 6.1 of the Preferential Procurement Regulations 2017 as per Gazette 10684 pertaining to the Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000), responsive bids will be adjudicated either the 80/20 or 90/10 preference point system. Once a tender is received, the lowest acceptable tender will be used to determine the preference point system to be used for the evaluation. Where the lowest acceptable tender is below R50 million, the 80/20 preference point system must be used and If the lowest acceptable tender is above R50 million, the 90/10 preference point system must be used.

The total points for price evaluation (out of 80/90) and the total points for BBBEE evaluation (out of 20/10) will be consolidated. The bidder who scores the highest points for comparative pricing and B-BBEE status level of contributor after the consolidation of points will normally be considered as the preferred bidder who SA Tourism will enter into further negotiations with.

Upon the successful negotiation and signing of a contract and services level agreement with the preferred bidder all other bidders will be considered as unsuccessful.

18. ANNEXURE K - CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD9)

- 18.1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 18.2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 18.3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
- a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
- b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

- ¹ Includes price quotations, advertised competitive bids, limited bids and proposals.
- ² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD9)

- 1 I have read and I understand the contents of this Certificate;
- I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
- I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
- Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;

- For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
- (a) has been requested to submit a bid in response to this bid invitation;
- (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
- (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder.
- The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
- In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
- (a) prices;
- (b) geographical area where product or service will be rendered (market allocation)
- (c) methods, factors or formulas used to calculate prices;
- (d) the intention or decision to submit or not to submit, a bid;
- (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
- (f) bidding with the intention not to win the bid.
- In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
- The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
 - ³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.
- I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
