1 INTRODUCTION

South African Tourism Board (South African Tourism) was established by section 2 of the Tourism Act No 72 of 1993 and continues to exist in terms of section 9 of the new Tourism Act No 3 of 2014. South African Tourism is a schedule 3 A Public Entity in terms of schedule 3 of the Public Finance Management Act 1 of 1999.

The mandate of South African Tourism in terms of the Tourism Act is to provide for the development and promotion of sustainable tourism for the benefit of the Republic, its residents and its visitors. It is common cause that tourism is a key strategic industry in terms of National Tourism Sector Strategy documents as it supports government objectives of alleviating the triple challenges of unemployment, poverty and inequality.

The scope of South African Tourism's business includes three distinct areas of business focus and delivery, with different target markets and segments:

- I. International Leisure tourism (travel trade and consumer); and Domestic leisure tourism (travel trade and consumer)
- II. Business events through the delivery unit the South African National Convention Bureau (Meetings, Incentives, Conferences, Exhibitions);
- III. Quality assurance of tourism establishments through the delivery unit the Tourism Grading Council of South Africa.

Section 217 of the Constitution of the Republic of South Africa, 1996, prescribes that goods and services must be contracted through a system that is fair, equitable, transparent, competitive and cost-effective and also confers a constitutional right on every potential supplier to offer goods and services to the public sector when needed.

The submission of proposals will be in terms of this document. All information requested, must be supplied and all annexures completed, whether such information or annexure refers to the eventual tender or not. This information will form part of the eventual tender and must therefore be completed, as there will not be an opportunity to do so later. Thus it essential that the information supplied is both correct and true.

South African Tourism has a detailed evaluation methodology premised on Treasury Regulation 16A.3 promulgated under Section 76 of the Public Finance Management Act, 1999 (Act, No. 1 of 1999), the Preferential Procurement Policy Framework Act 2000 (Act, No.5 of 2000) read with Preferential Procurement Regulations 2017, and the Broad-Based Black Economic Empowerment Act, 2003 (Act, No. 53 of 2003).

The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that South African Tourism relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by South African Tourism against the bidder notwithstanding the conclusion of the Service Level Agreement between South African Tourism and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

6.16 TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. South African Tourism reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to South African Tourism, or whose verification against the Central Supplier Database (CSD) proves non-compliant. South African Tourism further reserves the right to cancel a contract with a successful bidder in the event that such bidder does not remain tax compliant for the full term of the contract.

The Central Supplier Database (CSD) and the tax compliance status PIN are the approved methods of verifying the tax compliance of a bidder. The South African Revenues Services (SARS) does not issued Tax Clearance Certificates anymore but has introduces an online provision via eFiling, for bidders to print their own Tax Clearance Certificates which they can submit with their bids or price quotations.

South African Tourism will therefore accept printed or copies of Tax Clearance Certificates submitted by bidders but will verify their authenticity on eFiling.

6.17 TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. South African Tourism reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

6.18 GOVERNING LAW

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

6.19 RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL

A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that South African Tourism allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and South African Tourism will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

6.20 CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with South African Tourism's examination and evaluation of a Tender.

This bid and any other documents supplied by South African Tourism remain proprietary to South African Tourism and must be promptly returned to South African Tourism upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure South African Tourism's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

6.21 SOUTH AFRICAN TOURISM PROPRIETARY INFORMATION

Bidder will on their bid cover letter make declaration that they did not have access to any South African Tourism proprietary information or any other matter that may have unfairly placed that bidder in a preferential position in relation to any of the other bidder(s).

6.22 AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid (RFP SAT 138/19), South African Tourism may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.

6.23 ANTI-CORRUPTION COMPLIANCE

South African Tourism is committed to conducting its business ethically and to achieving and maintaining the highest standards of corporate governance, particularly in respect of anti-corruption compliance. We require all of our business partners, suppliers, vendors, contractors and service providers, who play an important and valued role in our continuing business success, to behave ethically and to avoid engaging in corrupt business activities.

Successful bidders will be required to undertake contractually that, in carrying out their responsibilities on behalf of South African Tourism, neither they nor their owners, officers, directors, employees, or their agents or subcontractors will pay, offer, or promise to pay, or authorize the payment directly or indirectly, of any money, gift, or anything of value to any government official or anyone else for the purpose of influencing any act or decision of such official or of the government to obtain or retain business, or to direct business to any person.

South African Tourism, in ensuring that Bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry, be established during such enquiry / investigation, the onus will be on the Bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid / contract and may also result in the restriction of the Bidder /contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies South African Tourism may have against the Bidder / contractor concerned.

7 TERMINATION OF CONTRACT

South African Tourism reserves the right to curtail the scope of any tender awarded or to curtail any aspect of any tenderer. In the event of any such curtailment, the tenderer will have no claim against South African Tourism.

South African Tourism also reserves the right to terminate, in South African Tourism's sole discretion and without providing any reason for the termination, the award of any proposal to any party if such party breaches, on 2 or more occasions, any component of the contract and service level agreement to be signed by both the supplier and South African Tourism.

This RFP document details and incorporates, as far as possible, the tasks and responsibilities of the potential bidder required by South African Tourism for the provision of support and maintenance of South African Tourism's CRM solutions. This RFP does not constitute an offer to do business with South African Tourism, but merely serves as an invitation to bidder(s) to facilitate a requirements-based decision process.

When considering submitting a bid, bidder(s) should be cognisant of the legislation and/or standards specifically applicable to the services required under this RFP.

The “end-users” have no readily available alternative way of performing their normal work.
Priority 2 - High	An important service is unavailable or impaired by the problem. There is a negative impact on business. The users are having difficulty performing part of their normal work or can undertake other work while the problem is resolved.
Priority 3 - Medium	A non-critical Client application process is unavailable or impaired by the problem. There is minor impact on the Client “normal business operation”. Actual performance will be calculated as follow:

Actual performance = (Number of request resolved within the service levels per month / Total number of request) * 100

Target performance measurements will be based on resolution times and not response times.

18. ANNEXURE K - CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD9)

- 18.1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 18.2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 18.3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
- a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

I, the undersigned, in submitting the accompanying bid:

19.8 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

19.9 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

19.10 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
