1 INTRODUCTION

The South African Tourism Board (South African Tourism) was established by section 2 of the Tourism Act No 72 of 1993 and continues to exist in terms of section 9 of the new Tourism Act No 3 of 2014. SA Tourism is a schedule 3 A Public Entity in terms of schedule 3 of the Public Finance Management Act 1 of 1999.

The mandate of South African Tourism in terms of the Tourism Act is to provide for the development and promotion of sustainable tourism for the benefit of the Republic, its residents and its visitors. It is common cause that tourism is a strategic industry in terms of the National Tourism Sector Strategy as it supports government objectives of alleviating the triple challenges of unemployment, poverty and inequality.

The scope of South African Tourism's business includes four distinct areas of business focus and delivery, with different target markets and segments:

- I. International leisure tourism (travel trade and consumer); and domestic leisure tourism (travel trade and consumer)
- II. Business events through the delivery unit the South African National Convention Bureau (Meetings, Incentives, Conferences, Exhibitions);
- III. Quality assurance of the tourism sector/industry through the delivery of both Visitor Experience and the Tourism Grading Council of South Africa.
- IV. Corporate - enhancing the South African Tourism brand

Section 217 of the Constitution of the Republic of South Africa, 1996, prescribes that goods and services must be contracted through a system that is fair, equitable, transparent, competitive and cost-effective and also confers a constitutional right on every potential supplier to offer goods and services to the public sector when needed.

The submission of proposals will be in terms of this document. All information requested, must be supplied and all annexures completed, whether such information or annexure refers to the eventual tender or not. This information will form part of the eventual tender and must therefore be completed, as there will not be an opportunity to do so later. Thus, it essential that the information supplied is both correct and true.

South African Tourism has a detailed evaluation methodology premised on Treasury Regulation 16A.3 promulgated under Section 76 of the Public Finance Management Act, 1999 (Act, No. 1 of 1999), the Preferential Procurement Policy Framework Act 2000 (Act, No.5 of 2000) read with Preferential Procurement Regulations 2017, and the Broad-Based Black Economic Empowerment Act, 2003 (Act, No. 53 of 2003).

2 CLOSING DATE

The closing date for the submission of proposals is **12h00 on Monday, 21 December 2020**. No late submissions will be accepted

3 E PROCUREMENT TENDER PORTAL AND TENDER DOCUMENTS MARKING

- 3.1 South African Tourism has developed and implemented an online e-Procurement Portal which will enable bidders to respond to procurement opportunities as and when they are issued by South African Tourism.

The portal is the official procurement portal for South African Tourism, which ensures an open, transparent, and competitive environment for any person participating in its procurement processes.

The portal enables a bidder to register as a supplier on the system and to RSVP to tender briefings and to submit tender responses on the portal.

The Portal's URL (<https://e-procurement.southafrica.net>) is compatible with Google Chrome, Microsoft Edge, Internet Explorer, FireFox and Safari. Interested bidders should with immediate effect consider registering and submitting their bid proposals on the portal which has specifically been developed and implemented for this purpose.

The supplier user manual can be viewed and downloaded on South African Tourism's website at <https://www.southafrica.net/gl/en/corporate/page/tenders>.

All bidders should therefore take note that the physical drop-offs and courier of bid responses to South African Tourism's physical address is no longer permitted. South African Tourism will not consider these bid proposals unless they are submitted through the e-procurement portal.

Prospective tenderers must periodically review both <http://www.southafrica.net/gl/en/corporate/page/tenders> and <https://e-procurement.southafrica.net> for updated information or amendments with regard to this tender, prior to due dates.

- 3.2 Failure on the part of the tenderer to sign/mark this tender form and thus to acknowledge and accept the conditions in writing or to complete the attached forms, questionnaires and specifications in all respects, may invalidate the tender.
- 3.3 Tenders must be completed in black ink where mechanical devices, e.g. typewriters or printers, are not used.
- 3.4 Tenderers will check the numbers of the pages and satisfy themselves that none are missing or duplicated. No liability will be accepted regarding claims arising from the fact that pages are missing or duplicated.

South African Tourism and its employees and advisors will not be liable with respect to any information communicated which may not be accurate, current or complete.
- 4.5 If Bidder(s) finds or reasonably believes it has found any discrepancy, ambiguity, error or inconsistency in this bid or any other information provided by South African Tourism (other than minor clerical matters), the

Bidder(s) must promptly notify South African Tourism in writing of such discrepancy, ambiguity, error or inconsistency to afford South African Tourism an opportunity to consider what corrective action is necessary (if any).

4.6 Any actual discrepancy, ambiguity, error or inconsistency in the bid or any other information provided by South African Tourism will, if possible, be corrected and provided to all Bidder(s) without attribution to the Bidder(s) who provided the written notice.

4.7 All persons (including Bidder(s)) obtaining or receiving the bid and any other information in connection with the Bid or the Tendering process must keep the contents of the Bid and other such information confidential, and not disclose or use the information except as required for developing a proposal in response to this Bid.

5 SECURITY AND INTEGRITY CLEARANCE

All information documents, records and books provided by South African Tourism to any tenderer, in connection with the invitation to tender or otherwise, are strictly private and confidential. These will not be disclosed by any tenderer to any third party, except with the express consent of South African Tourism, which will be granted in writing prior to such disclosure. South African Tourism, however, reserves the right to disclose any information provided by any tenderer to any of the employees of South African Tourism for successful tenders.

A proposal for the award will be rejected if South African Tourism determines that the supplier recommended for the award, has engaged in corrupt or fraudulent activities in competing for the contract in question.

South African Tourism may require contractors to permit South African Tourism to inspect their accounts and records relating to the performance of the contract and to have them audited by auditors appointed by South African Tourism.

5.1 FALSE INFORMATION

Should the Tenderer:

6 SPECIAL TENDER CONDITIONS

This tender and its acceptance will be subject to the terms and conditions described below.

South African Tourism is/will not be liable for any costs incurred in the preparation and delivery of tenders. South African Tourism will however consider contributing set amounts only to shortlisted agencies for this tender who will participate during phase two of the tender process to assist with the preparation of final agency pitches.

All documents, samples and materials submitted as part of a tender become the property of South African Tourism, and yet in any event South African Tourism will not be liable for loss or damage to any documents, samples and materials submitted.

6.1 TENDER SECURITY

South African Tourism requires no proposal surety but reserves the right to review this position at contractual stages.

6.2 DOWNSCALING OF WORK

South African Tourism reserves the right to downscale the required services and associated costs, should the need arise. In such cases, South African Tourism will only downscale such services after every completed contractual period of 12 months. At least 3 months' written notice of such downscaling will be provided to the successful bidder.

6.3 VALIDITY PERIOD

The tender proposal must remain valid for at least five (5) months after the tender due date. All contributions/prices indicated in the proposal and other recurrent costs must remain firm for the period of the contract.

6.4 COMPLETENESS OF THE SOLUTION

The tenderer must complete all documents in full and submit these with the proposal. Failure to comply with these requirements may invalidate the tenderer or disqualify the proposal.

Notwithstanding any possible shortcomings and/or inconsistencies in the specifications, the tenderer must ensure that the solution offered will form a complete, cost-effective and functional proposal for the whole project solution.

6.5 CONTRACTUAL IMPLICATIONS

The tenderer must complete all documents in full and submit these with the proposal. Failure to comply with these requirements may invalidate the tenderer or disqualify the proposal.

6.5.1

Upon submission of the tender response, the Tenderer is unconditionally bound by the terms and conditions of the Request for Proposal (RFP) and the tender response. In the event of any conflict or confusion arising between the terms and conditions of the RFP and the tender response, the RFP shall prevail.

- 6.5.2 The Tenderer acknowledges that awarding of the Tender is based solely on the information supplied in the tender response, accordingly, the relevant Terms and Conditions of the Request for Proposal and the tender response will be incorporated in the subsequent written agreement, unless otherwise provided by South African Tourism.
- 6.5.3 Other than providing rights to South African Tourism, nothing in this Tender Request and tender response should be construed to give rise to South African Tourism having any obligations or liabilities whatsoever, express or implied.
- 6.5.4 The successful Tenderer shall only be entitled to render services and/or provide goods to South African Tourism once a separate written contract, which should be aligned to “GOVERNMENT PROCUREMENT GENERAL CONDITIONS OF CONTRACT” (Please visit <http://www.treasury.gov.za/divisions/ocpo/sc/GeneralConditions/default.aspx>) for further information issued in 2010 in this respect) and a service level agreement has been signed by both the Tenderer and South African Tourism, whereupon the Request for Proposal and tender response will cease to have force and effect.
- 6.5.5 The successful tenderer will assume sole responsibility, regardless of any third party or subcontracting agreements it may enter.
- 6.5.6 The terms and conditions of this Request for Proposal and any agreement entered between South African Tourism and Tenderer because of a successful proposal by the Tenderer to this Request for Proposal (RFP) shall always be interpreted and subject to the laws of the Republic of South Africa and the jurisdiction of the South Gauteng High Court in Johannesburg. The terms and conditions of this sub-clause 6.5.6 shall survive any subsequent contractual provision or agreement attempting to evade, amend or nullify the said provisions of this sub-clause 6.5.6 to the Request for Proposal.

6.6 CONDITIONS OF PAYMENT

No service should be provided to South African Tourism in terms of this tender and no amount will become due and payable by South African Tourism before:

- a cost estimate and relevant 3rd party supporting documents (where applicable) has been provided by the service provider/supplier.
- an official purchase order or similar written instruction has been issued to the supplier where service delivery will be within the specified time scale after the receipt of the official purchase order or similar written instruction; and

Unless otherwise determined in the contract or other agreement, all payments due to creditors will be settled within 30 days from receipt of an invoice or, in the case of civil claims, from the date of settlement or court judgment. This implies that amounts owing will be paid within 30 days from receipt of invoice if the goods, works or services were delivered to the satisfaction of South African Tourism.

Notwithstanding any provisions in this document, no payment will become due or payable unless the invoice is accompanied with:

- a statement, reconciling all monies already paid and still outstanding; and
- all relevant supporting documentation.

All invoices to be issued must be issued in the relevant currency in which the contract is done with South African Tourism. No GST or VAT may be levied on work that meets the criteria of an export.

The tenderer shall be responsible for any foreign exchange losses incurred due to currency fluctuations, without having any recourse whatsoever against South African Tourism for such loss.

6.7 QUALITY ASSURANCE

All services rendered by the Tenderer, its personnel, agents or sub-contractors will be subject to on-going evaluation to determine its effectiveness and will be so guaranteed for the full contract period by the Tenderer after acceptance by South African Tourism.

6.8 INTELLECTUAL PROPERTY RIGHTS

All intellectual property rights, applicable to the awarded bidder, including, but not limited to, copyright, trademarks, design rights, patent rights, and other similar rights in the Request for Proposal and the tender response and in any works or products created as a result of the performance of the Tenderer in relation to this Request for Proposal and tender response, will vest in, and are hereby assigned to South African Tourism, unless specifically agreed otherwise, in the form of individual written Agreements signed by both parties.

6.9 AWARDING OF CONTRACT

Proven relevant experience and success, as well as the ability to deliver services required, will be important considerations. By the submission of tender, each submitter warrants that he/she/it is highly skilled, professional, competent, and experienced in the area for which he/she has tendered. Any work performed by a successful tenderer will be evaluated.

The tenderer also warrants that the service provided will be of a superior standard and is unlikely to cause undue difficulties.

The proposal may be awarded, in part or in full, at the sole discretion of South African Tourism, to one or more concerns on a non-exclusive basis. Proposals that are qualified by a tenderer's own conditions may be rejected as being invalid, and failure of the submitter to renounce such conditions when called upon to do so may invalidate the proposal.

South African Tourism may request clarification or additional information regarding any aspect of the proposal. The tenderer must supply the requested information within 24 hours after the request has been made, otherwise, the tenderer may be disqualified. South African Tourism may also request a demonstration/presentation and submitters must comply with such a request within 24 hours or within such a time as mutually agreed.

6.10 CONFLICT OF INTEREST, CORRUPTION, AND FRAUD

South African Tourism reserves its right to disqualify any bidder who either itself or any of whose members (save for such members who hold a minority interest in the bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of South African Tourism or any other government organ or entity and whether from the Republic of South Africa or otherwise ("Government Entity")

- (a) engages in any collusive tendering, anti-competitive conduct, or any other similar conduct, including but not limited to any collusion with any other bidder in respect of the subject matter of this bid;
- (b) seeks any assistance, other than assistance officially provided by a Government Entity, from any employee, advisor or other representatives of a Government Entity to obtain an unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- (c) makes or offers any gift, gratuity, anything of value or another inducement, whether lawful or unlawful, to any of South African Tourism officers, directors, employees, advisors or other representatives;
- (d) makes or offers any gift, gratuity, anything of any value or other inducement, to any Government Entity's officers, directors, employees, advisors or other representatives to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- (e) accepts anything of value or an inducement that would or may provide financial gain, advantage or benefit in relation to procurement or services provided or to be provided to a Government Entity;
- (f) pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;
- (g) has in the past engaged in any matter referred to above; or
- (h) has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether a prison term was imposed and despite such bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

6.11 MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that South African Tourism relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by South African Tourism against the bidder notwithstanding the conclusion of the Service Level Agreement between South African Tourism and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

6.12 PREPARATION COSTS

The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid. Furthermore, no statement in this bid will be construed as placing South African Tourism, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

6.13 INDEMNITY

If a bidder breaches the conditions of this bid and, as a result of that breach, South African Tourism incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds South African Tourism harmless from any and all such costs which South African Tourism may incur and for any damages or losses South African Tourism may suffer.

6.14 PRECEDENCE

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

Prospective tenderers must periodically review the following links for updated information or amendments with regard to this tender, prior to due dates.

<https://www.southafrica.net/gl/en/corporate/page/tenders>; or

<https://e-procurement.southafrica.net>.

6.15 LIMITATION OF LIABILITY

A bidder participates in this bid process entirely at its own risk and cost. South African Tourism shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered because of the Bidder's participation in this Bid process.

6.16 TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. South African Tourism reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder if it is established that such bidder was in fact not tax compliant at the time of the award or has submitted a fraudulent Tax Clearance Certificate to South African Tourism, or whose verification against the Central Supplier Database (CSD) proves non-compliant. South African Tourism further reserves the right to cancel a contract with a successful bidder if such bidder does not remain tax compliant for the full term of the contract.

The Central Supplier Database (CSD) and the tax compliance status PIN are the approved methods of verifying the tax compliance of a bidder. The South African Revenues Services (SARS) does not issue Tax Clearance Certificates anymore but has introduced an online provision via eFiling, for bidders to print their own Tax Clearance Certificates which they can submit with their bids or price quotations.

South African Tourism will therefore accept printed or copies of Tax Clearance Certificates submitted by bidders but will verify their authenticity on eFiling.

This is applicable for all individual bidders and their sub-contractors (if any) and also consortiums or joint ventures.

6.17 TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. South African Tourism reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

6.18 GOVERNING LAW

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

6.19 RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL

A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. If South African Tourism allows a bidder to make use of sub-contractors, such sub-contractors will always remain the responsibility of the bidder and South African Tourism will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

6.20 CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with South African Tourism's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by South African Tourism remain proprietary to South African Tourism and must be promptly returned to South African Tourism upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived therefrom.

Throughout this bid process and thereafter, bidder(s) must secure South African Tourism's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

6.21 SOUTH AFRICAN TOURISM PROPRIETARY INFORMATION

Bidder will on their bid cover letter make declaration that they did not have access to any South African Tourism proprietary information or any other matter that may have unfairly placed that bidder in a preferential position in relation to any of the other bidder(s).

6.22 AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid (RFP SAT 181/20), South African Tourism may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.

6.23 ANTI-CORRUPTION COMPLIANCE

South African Tourism is committed to conducting its business ethically and to achieving and maintaining the highest standards of corporate governance, particularly in respect of anti-corruption compliance. We require all our business partners, suppliers, vendors, contractors and service providers, who play an important and valued role in our continuing business success, to behave ethically and to avoid engaging in corrupt business activities.

Successful bidders will be required to undertake contractually that, in carrying out their responsibilities on behalf of South African Tourism, neither they nor their owners, officers, directors, employees, or their agents or subcontractors will pay, offer, or promise to pay, or authorize the payment directly or indirectly, of any money, gift, or anything of value to any government official or anyone else for the purpose of influencing any act or decision of such official or of the government to obtain or retain business, or to direct business to any person.

6.24 FRONTING

South African Tourism supports the spirit of broad-based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Against this background, South African Tourism condemns any form of fronting.

South African Tourism, in ensuring that Bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry, be established during such enquiry/investigation, the onus will be on the Bidder/contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from the date of the notification may invalidate the bid/contract and may also result in the restriction of the Bidder /contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies South African Tourism may have against the Bidder/contractor concerned.

Should fronting be inferred or detected, it will be referred to the BEE commission for investigation.

6.25 SUPPLIER DUE DILIGENCE

South African Tourism reserves the right to conduct supplier due diligence prior to final award or at any time during the contract period. This may include site visits and requests for additional information.

6.26 DURATION OF THE CONTRACT

South African Tourism intends to enter into a 36 (thirty-six) month contract and service level agreement with the successful bidder. A service level agreement/contract, with performance indicators based on the specification of the bid, will be concluded with the successful bidder to facilitate contract management and performance monitoring. The said agreement will quantify cost-benefits and mitigate risks to South African Tourism whilst protecting the successful bidder from scope creep.

Deliverables will be monitored continuously to ensure that products/services are delivered in accordance

with the conditions of the contract. The preferred bidder will be required to submit performance reports, i.e. through a progress tracking report monthly until the closure of the contract.

7 TERMINATION OF CONTRACT

South African Tourism reserves the right to curtail the scope of any tender awarded or to curtail any aspect of any tenderer. In the event of any such curtailment, the tenderer will have no claim against South African Tourism.

South African Tourism also reserves the right to terminate, in South African Tourism's sole discretion and without providing any reason for the termination, the award of any proposal to any party if such party breaches, on 2 or more occasions, any component of the Service Level Agreement to be signed by both the supplier and South African Tourism.

8 PROPOSAL SUBMISSION

All annexures must be completed in full, using the given numbering format. All attachments or references to attachments must be clearly marked and specific to the information required. Compliance or Non-compliance with detailed information must be indicated per paragraph as per numbering format if there are additional and/or alternative products/services, options must be separately tendered for in the form of a separate proposal, and with a complete schedule describing deviations from specifications and technical brochures must be submitted where applicable.

Own conditions submitted by small, micro-enterprises will be considered sympathetically by South African Tourism, however, South African Tourism reserves the right to call upon the tenderer to renounce such conditions.

If any of the conditions on this tender form conflict with any special conditions, stipulations or provisions incorporated in the tender, such special conditions, stipulations or provisions will apply.

9.3 Scope of services

General Overview:

The role of a Destination Marketing Organizations is shifting to DXO in response to the ever-changing consumer demands. In this shift, the gathering and usage of “data” and “big data” play a key role in providing the organization with ongoing insights that improve how the tourism sector operates. Thus SA Tourism has a need for a data warehouse for data governance and management of data in order to view and manage data from a central repository with the objective of being able to use it for data analysis, reporting and business intelligence purposes.

Capturing, managing and displaying data has many benefits, amongst which:

- Identifying potential travelers at every stage of the trip planning process;
- Providing personalized and tailored experiences in South Africa;
- A near-real-time response to traveler needs;
- Increasing diversification of destination productions;
- Improving quality of destination services;
- Predicting which new products might work well in different markets around the world;

The challenge for Destination Experience Organizations is the multitude of (primary and secondary) tourism data points, sources and sets spread out across multiple systems. There is no standard way of collecting data and the different organizations don't combine data clusters.

In this context, South African Tourism is optimizing and standardizing the process of collecting, managing and processing data, for the organization and the sector, and is looking for a data service provider and data management platform that will deliver best-in-class data warehousing/storage and data management capabilities.

The required solution would be utilized across the SA Tourism business units in order to always have a pulse of all the data within the organization.

OVERVIEW OF CURRENT TECHNICAL ENVIRONMENT

- Number of end-users to be supported: 205
- The initial number of contributing users for a data warehouse: 50
- Anticipate growth to support up to 250 contributors/end-users
- Functionality in China is an absolute technology standard for any proposed solution
- PowerBi is the standard Business Intelligence tool in place
- Data Management and Information Technology operations, support and maintenance are maintained using a blended model of internal staff and vendors

Service Overview:

South African Tourism requires a service provider that has both strategic data and analytics acumen as well as hands-on experience in setting up and maintaining data warehousing capabilities and data management platforms. The preferred bidder will require to deliver the data warehousing and management capabilities that best enables the organization to deliver on its tourism mandate. This involves understanding the current landscape and, more importantly, future trends around the use of data technologies.

The appointed service provider will collaborate with multiple teams to deliver an end-to-end data management operating framework and infrastructure, which includes but is not limited to:

- Strategic data framework to be implemented for each business unit and across the organization, locally and internationally; including a data management strategy and plan;
- Setting up, maintaining, and optimizing cloud-based data warehousing capabilities
- Setting up and maintaining a data management platform, with ongoing support;
- Synchronizing the use of data with marketing platforms and tools, including but not limited to Microsoft CRM tools, eMail Marketing tools; Google Analytics; DV360, Search Ads, Facebook Ads;
- The proposed solution should be able to work in China

- Setting up data and insights dashboards using Power Bi;
- Merge existing databases into the new data warehouse;
- Discontinue and shut down databases that will not be required.
- Migration of current data from all different sources
- Data quality management
- Data management Processes
- Integration to existing systems (for example, Oracle ERP, Flowcentric BPM system, etc.)
- Training to the SA Tourism team for the management and servicing of the data warehousing solution.

The proposed solution should be cloud base ideally, whilst being able to allow and take into consideration the current data regulations (GDPR, PoPIA, etc.). Ease of use would be fundamental in enabling non-technical people to query data quickly and easily from a single location.

9.3.5 Pricing schedule

A detailed pricing schedule should be included in the bid proposal, separately detailing the development, customisation and licensing costs (where applicable) as well as support and maintenance costs to deliver all the business requirements to South African Tourism as required under this tender.

The detailed pricing schedule should, for the avoidance of doubt, also be summarised under section 11 of the bid document. For the purpose of evaluation, the price shall include all local taxes and other reimbursable expenses.

9.4 Competitive bidding procedure:

South African Tourism is issuing this tender through a competitive bidding procedure because there are sufficient suppliers/service providers in the market to afford the opportunity to be considered for the bid. As a schedule 3A Public Entity in terms of schedule 3 of the Public Finance Management Act 1 of 1999, South African Tourism fully conforms and supports the obligatory transformation initiatives embedded in the Preferential Procurement Regulations, 2017 issued in terms of section 5 of the Preferential Procurement Policy Framework Act, Act Number 5 of 2000 (PPPFA) when procuring goods or services from suppliers.

South African Tourism, as far as practically possible, has taken every effort to prepare the best possible documentation of what is required and to ensure the specifications do not inhibit participation by Exempted Micro Enterprises (EMEs) and Qualifying Small Enterprise (QSE). South African Tourism therefore also encourages the establishment of consortia, to ensure that EME's and QSE's can participate in the bid.

9.5 Bid protocol and packaging of bids

Bidders should take precaution to not contravene the provisions of Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, which prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).

An agreement to engage in a restrictive horizontal practice is presumed to exist between two or more firms if -

- a) any one of those firms owns a significant interest in the other, or they have at least one director or substantial shareholder in common; and
- b) any combination of those firms engages in that restrictive horizontal practice;
- c) an agreement for co-operation between two or more competing businesses operating at the same level in the market;
- d) Price fixing- an arrangement in which several competing businesses make a secret agreement to set prices for their products to prevent real competition.

South African Tourism requires bidder(s) to declare the following in the Bidder's Technical response:

Confirm that the bidder(s) is to: -

- (a) Act honestly, fairly, and with due skill, care and diligence, in the interests of South African Tourism;

- (g) To conduct their business activities with transparency and consistently uphold the interests and needs of South African Tourism as a client before any other consideration; and
- (h) To ensure that any information acquired by the bidder(s) from South African Tourism will not be used or disclosed unless the written consent of the client has been obtained to do so.

We require all of our business partners, suppliers, vendors, contractors and service providers, who play an important and valued role in our continuing business success, to behave ethically and to avoid engaging in corrupt business activities.

To assist South African Tourism in respect of its commitment to ethical business practices, all successful bidders are required to complete an anti-bribery compliance questionnaire and thereafter to undergo an anti-bribery due diligence check. The outcome thereof may determine, at South African Tourism's discretion, whether South African Tourism will enter into any contractual agreement or other arrangements with the supplier, or not.

18. ANNEXURE K - CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD9)

- 18.1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 18.2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 18.3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
- a. disregard the bid of any bidder if that bidder or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and/or services for purchasers who wish to acquire goods and/or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

19. CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD9)

I, the undersigned, in submitting the accompanying bid:

in response to the invitation for the bid made by:

- 19.4 Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;
- 19.5 For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:

 - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder.
- 19.6 The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.

19.8 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

19.9 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

19.10 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
