### Exciting Unique Tour

Reviewed March 26, 2020

This was my sixth tour with Tony. He knows what I like to see and so and so we plan an itinerary which includes wild-life, history and battlefields and also simply beautiful places. We went to the North West province and the Northern Cape and into the Kalahari to Witsand Nature Reserve where we self catered - which proved a bit difficult as we had no electricity until late in the evening so we sat in the dark and listened to nature at its best. We then returned to "civilisation" and visited the wonderful Kimberley and Bloemfontein where for the third time we visited the fabulous Boer War museum. No matter how many times you go it is still so interesting and educational. Although in the last couple of days I had the worry of whether or not my flight home would proceed because of the Covid 19 virus, it did not spoil a wonderful holiday and I shall be back in South Africa again as soon as the world returns to normal.

A screenshot of the tourHQ website's search interface. At the top, the text 'Looking for a Guide?' is displayed in white on a dark background. Below this, there are three radio buttons: 'By Destination' (unselected), 'By Guide' (selected), and 'By Keyword' (unselected). A red arrow points from the 'By Guide' radio button to a search input field. The input field contains the text 'Tony Horn'. Another red arrow points from the 'By Guide' radio button to the 'SEARCH' button. The 'SEARCH' button is orange with white text. A hand cursor icon is visible over the 'SEARCH' button.
