RFQ-01-GRC-21

Date: 07 April 2021

Dear Bidder

Subject Matter: Request for a quotation for the appointment of a legal services provider to collect debt on behalf of South African Tourism for a period of six (6) months.

South African Tourism Board (SA Tourism) was established by section 2 of the Tourism Act No 72 of 1993 and continues to exist in terms of section 9 of the new Tourism Act No 3 of 2014. SA Tourism is a schedule 3 A Public Entity in terms of schedule 3 of the Public Finance Management Act 1 of 1999.

The mandate of SA Tourism in terms of the Tourism Act is to provide for the development and promotion of sustainable tourism for the benefit of the Republic, its residents and its visitors. Tourism is a key strategic industry in terms of The National Tourism Sector Strategy as it supports governments' objectives of alleviating the triple challenges of unemployment, poverty and inequality.

Section 217 of the Constitution of the Republic of South Africa, 1996, prescribes that goods and services must be contracted through a system that is fair, equitable, transparent, competitive and cost-effective and also confers a constitutional right on every potential supplier to offer goods and services to the public sector when needed.

Having regard for the aforementioned SA Tourism is hereby extending an invitation to your firm, as part of a competitive bidding process, to submit a technical and cost proposal for the possible appointment of a firm to collect debt on behalf of South African Tourism for six (6) months.

1. The scope of services will therefore need to include, but will not be limited to, at least the following:

(a) Part of the Mandate of SA Tourism is to perform any duty imposed upon it by the Minister of Tourism in accordance with a policy direction not in conflict with the Tourism Act. In this regard, SA Tourism was mandated by the Minister of Tourism to administer the Tourism Relief Fund ("TRF") on behalf of the Department of Tourism, which administration included the processing of relief fund payments to eligible parties. Some of the recipients of the relief funds are now indebted to the TRF for various reasons and the TRF intends to collect these debts. The preferred service provider's services in this regard will be to:

- (i) Develop and implement a cost effective debt collection plan
- (ii) Contact the debtors and demand payment;
- (iii) Consider any payment arrangements proposed by the debtor
- (iv) Take such economically feasible yet effective legal action as may be appropriate to collect the debt; and
- (v) Report to SA Tourism on a regular basis regarding progress in collection of debt.

(b) SA Tourism is an employer and in its capacity as such, grants study loans and bursaries to deserving employees, subject to a fixed work back period. Some employees have left service before commencement and / or expiry of the work back period and are thus indebted to SA Tourism. SAT intends to collect these debts and seeks to appoint a service provider to:

- (i) Develop and implement a cost effective debt collection plan

 - (iii) Consider any payment arrangements proposed by the debtor

- (c) Furthermore, SA Tourism through the South African National Convention Bureau (SANCB), promotes South Africa both domestically and internationally as a business destination by, amongst others, organising, hosting and becoming party to contracts for Exhibitions, Conferences and Events. In performing this function, it ordinarily invites Exhibitors to join it either in its own events or events where it has been invited by, for purposes of this RFQ, paying a monetary participation fee which results in such Exhibitors becoming indebted to it. The preferred Service Provider will accordingly be required to:
- (i) Develop and implement a cost effective debt collection plan
 - (ii) Contact the debtors and demand payment;
 - (iii) Consider any payment arrangements proposed by the debtor
 - (iv) Take such economically feasible yet effective legal action as may be appropriate to collect the debt; and
