

# Elegant Boutique Hotel in the Cape Winelands

## About the Destination

Southern Sun de Wagen, in the heart of South Africa's most famous wine region is a collection of historic farmstead buildings dating back to the early 1900s which have been restored and re-imagined to create a unique boutique hotel experience in Stellenbosch. The original buildings with white-walled Cape Dutch heritage were originally designed by Sir Herbert Baker.

Ideally located only 30-minutes from the Mother City, moments from the centre of Stellenbosch, and within easy reach of the areas' more than 145 vineyards, the hotel is perfectly located for Cape Town getaways and wine-country breaks.

A storied history connects Southern Sun de Wagen with South Africa's early wine and fruit farms of Vredenberg and Lanzerac. The hotel consists of three separate country houses with a total of 22 comfortable and stylish rooms offering privacy and a sense of old world charm.

Indigenous flowers frame a courtyard pool at Kuyperhuis, welcoming lounge areas add to the ambience, while De Volkskombuis restaurant invites guests to experience memorable dining.
