Delivered by e-mail

RFQ-11-FAC-22

Date: 01 June 2022

Dear Bidder

**Subject Matter: Request for Quotation - Koi Fish Ponds Maintenance for 36 months**

The South African Tourism Board (SA Tourism) was established by section 2 of the Tourism Act, 1993, and continues to exist in terms of section 9 of the Tourism Act, 2014. SA Tourism is a Schedule 3 Part A Public Entity in terms of the Public Finance Management Act, 1999.

The mandate of SA Tourism in terms of the Tourism Act, 2014 is to provide for the development and promotion of sustainable tourism for the benefit of the Republic, its residents and its visitors. Tourism is a key strategic industry in terms of The National Tourism Sector Strategy as it supports governments' objectives of alleviating the triple challenges of unemployment, poverty, and inequality.

Section 217 of the Constitution of the Republic of South Africa, 1996, prescribes that goods and services must be contracted through a system that is fair, equitable, transparent, competitive and cost-effective and also confers a constitutional right on every potential supplier to offer goods and services to the public sector when needed.

Having regard for the aforementioned SA Tourism is hereby extending an invitation to you, as part of a competitive bidding process, to submit a technical and cost proposal for the provision of Supply, Implementation and Licensing for Qualys Vulnerability Management Software for a period of 24 months

- 1. The scope of services will therefore need to include, but will not be limited to, at least the following:**

**Description of the project / Scope of works**

- Costing to cover upgrades and maintenance and cleaning of the koi fish ponds at the back of Bojanala House sub-divided into two (2). Koi Ponds need to be cleaned and maintained on a regular basis to ensure a healthy environment.
- Repairs and maintenance of the existing pumps during the contract period.
- Seasonal swopping of smaller fish between ponds.
- Weekly onsite inspections to ensure optimal functioning of water pumps and provision of maintenance, repairs and replacements of faulty circuit-breaker on the DB-Board powering the water pumps and other functional electronics attached thereto.
- Repair and seal the structural leaks to the ponds once any leaks are observed.
- Cleaning of the water filters and cleaning the ponds when required.
- Weekly removal of any visible algae.
- Application of non-toxic chemicals to keep water clear and clean without harming the koi fish.
- Water plants treatment, trimming and control of overgrowth.
- Provide and **replenish** feeding for the Koi fish when requested.

### **Materials for the project / Scope of works**

- 55W UV sterilizer system x 2/year
- Sand filter x 1
- Koi sand x 1 for the duration of the contract
- 50 litre biofilter beneficial bacteria and filtration medium
- Replacen and Install Venturi x 1
- Pipes and fittings when replacement is needed
- Water treatment chemical when needed
- 0.75kW pump replacement

### **Additional Information to be considered**

There is only one (1) Koi pond maintenance required on the proposals, routine and seasonal. Seasonal Maintenance is generally performed quarterly depending on geographic location in this case Sandton, Chislehurst. Routine maintenance is performed on an as-needed basis in this weekly, but can be much less frequently depending on the condition of the Fish Pond before the next scheduled maintenance.

Seasonal maintenance must be performed regardless of the visual condition of the ponds. Seasonal maintenance is merely an extensive and thorough cleaning of the pond. The Pond should be drained almost completely, and the rockwork and substrate should be scrubbed with a pond scraper or other suitable algae removal device. If should bases require application of non-porous membranes, that should be executed.

The pump should be pulled apart for cleaning by a competent person. The internal moving parts should be cleaned, and all gaskets should be lubricated with the recommended gasket lubricant. All pipes and tubing should be inspected for leaks, cracks, or weak spots.

Routine maintenance should be less intense. It should involves keeping the filtration functioning, usually by rinsing mechanical or biological media. If algae removers or biological enhancers are used, they should be added on weekly intervals.

## **2. Format of proposals**

**Bidders must complete and return all the necessary standard bidding documents (SBD's) attached to this request for technical and financial proposals.**

Payment shall be made into the bidder's bank account normally 30 days after receipt of an acceptable, valid invoice.

**10. Non-compliance with delivery terms**

The successful bidder must ensure that the work is confined to the scope as defined and agreed to. As soon as it becomes known to the bidder that they will not be able to deliver the services within the delivery period and/or against the quoted price and/or as specified, SA Tourism's Audit and Risk Committee must be given immediate written notice to this effect.

**11. Retention**

Upon completion of the assignment and/or termination of the agreement, the successful bidder shall on demand hand over to SA Tourism's Audit and Risk Committee all documentation, information, etc. relevant to the assignment without the right of retention.

**12. Cost**

The bidder will bear all the costs associated with the preparation of the response and no costs or expenses incurred by the bidder will be borne by SA Tourism.

**13. Cancellation of the request for a technical and cost proposal**

SA Tourism may, prior to the award of the bid, have the right to cancel the bid if:

- (a) Due to changed circumstances, there is no longer a need for the service; or
- (b) Funds are no longer available to cover the part and/or total envisaged expenditure; or
- (c) No acceptable bids are received.

SA Tourism reserves the right to withdraw this request for technical and cost proposals, to amend the term, or to postpone this work by email notice to all parties who have received this request.

**14. Clarification**

Any clarification required by a bidder regarding the meaning or interpretation of the Terms of Reference, or any other aspect concerning this request for technical and cost proposals, is to be requested in writing. From: raymond@southafrica.net

Thanking you and looking forward to your proposal in this regard.

Yours in Tourism
