## Introduction

This Addendum with clarification notes serves to inform potential bidders of changes, amendments and/or clarifications made to the bid documentation. The following questions and/or changes have been received from those that are in position of the bid documentation.

Item	Questions and Responses
1	<p><b><u>Question</u></b></p> <p>I was just touching base as we are trying to register iD Collective in the Central Supplier Database so we can respond to the SAT Tender however, am unsure what to input into the Work Permit Number / Password section as this isn't something we have?</p> <p>Was hoping you could please advise as I understand we need to be registered to submit a response.</p> <p><b><u>Response</u></b></p> <p>that's for south African company only. E.g. if your parent's company is south African based, then they need to fill in that bit.</p>
2	<p><b><u>Question</u></b></p> <p>We are excited to respond to the SAT Australasia Hub 008/22 - Integrated PR Agency and Marketing Services tender.</p> <p>We have noticed there is another tender SAT Australasia Hub 007/22 - Social Media and Digital Agency Services tender.</p> <p>We are an integrated PR and Marcomms agency with strong proven skill sets across both tenders. Would SAT be open to receiving a submission from us that answers both in the same submission or would you require us to respond to them separately?</p> <p>We would obviously offer a number of cost and time efficiencies if we were awarded both contracts, so I'd like to enquire as to the best way to present this to you.</p> <p><b><u>Response</u></b></p> <p>Yes please submit separate two documents for each tenders, as the evaluation criteria and evaluation committee are different</p>
3	<p><b><u>Question</u></b></p> <p>Our agency was forwarded the tender application by the IAS, and we'd love the opportunity to apply.</p> <p>Do we need to give formal notice of our intentions to submit, aside from submitting all the relevant documents by 11 November?</p>
